Re: United States v. Avenatti, No. S1 19 Cr. 373 (PGG)
Estimated Length of Trial

Dear Judge Gardephe:

At the arraignment on the Superseding Indictment held yesterday, the Court inquired as to the estimated length of trial. The government estimated that its case-in-chief would take five (5) days. When the Court inquired of me, I responded that I thought the trial would be completed by the end of the second week. However, upon further reflection, given that *voir dire* will not begin until Wednesday, January 22, I believe it is far more likely that the trial will extend into the week of February 3rd.

Respectfully,

Scott A. Srebnick
